RE: MARIN RESOURCE RECOVERY CENTER  
Q1 2022 RECYCLING CERTIFICATION

To Whom It May Concern:

The Marin Resource Recovery Center (MRRRC), in San Rafael, California, is a material recovery facility that accepts mixed construction and demolition loads, as well as many other types of materials. All incoming loads are sorted and processed to remove recyclable materials.

MRRRC provides quarterly reports to the Marin County Hazardous and Solid Waste Joint Powers Authority that are used by that agency for state reporting requirements. Attached is the most recent submission for the 1st quarter of 2022.

- 60,739 tons were received by the facility during the quarter.
- 35,876 tons were removed from the waste stream and recycled.
- 24,863 tons were landfilled.

This equates to a recycling rate of 59.07%.

Sincerely,

Ryan De Vera  
Manager, Financial Reporting  
Marin Sanitary Service
